It is clear from the records ~~that~~ and especially from Ex. R that the Govt. got back from the candidate the whole amount paid by them to the student during the course of his studies in the Rajapuram medical school plus a penalty of Rs 500/- according to the terms of the covenant and his bond was returned duly cancelled. This enabled the candidate to serve His Majesty's Govt. in war.

(3) The present prayer for the refund of the amount is one which perhaps has no precedent and according to the strict letter of the rules is inadmissible, but the following facts may be considered before rejecting the petition

(1) The parties have acted very honorably and paid their dues voluntarily ~~and~~ unlike others against whom either steps had to be taken or from whom recovery had to be waived

(2) This discharge was asked for with a view to field service in the forces of His Majesty during the great

was which he did and

(3) the present petitioner has to sell his all to obtain the above discharge, relying that his son may be able to maintain him, but providence decreed otherwise and the son died leaving his father helpless with his petty pension.

(2) In view of these facts & considering the various other considerations urged by the petitioner, it will perhaps be an act of equity and clemency, if at least the levy of penalty of Rs 500/- from the candidate is waived in consideration of the fact that the candidate denied the discharge to serve in the war. Govt. did not give the scholarship to earn a profit and hence it may be sufficient if the amount paid is received & the levy of penalty being waived, the amount of Rs 500/- is refunded to him. No question of any levy of penalty would arise in as much as the

amount received is Rs 1267/- amount paid as scholarship appears to be only 1126/- Penalty Rs 573/- Discharge or invalidation probably includes petitioner's withdrawal

amount recovered probably includes this item as well and in any case the interest on the penalty amount of Rs 500/- paid in October 1917 is likely to exceed very much the interest on the refund amount. Med. 23-27-77

Respected Sir,

I most respectfully beg to submit that the benign Government of His Highness the Maharaja of Mysore had very kindly granted to my son Sivasankar a scholarship for qualifying himself as a Sub-Assistant Surgeon at the Royapuram Medical College, Madras, and under the rules for the grant of such scholarship. he had bound himself to serve the Mysore Government after passing the examination for a period of 7 years and in default to refund the amount drawn by him as scholarship together with a penalty of Rs 500/-.

He studied for 5 years and passed the L.M.P. examination also in the year 1917. Just then i.e. in the year 1917 the Great War was going on and there was a great demand for medical men to serve in the front. Being actuated by a great desire to serve His Majesty the King Emperor and the country and to contribute his humble mite to the successful termination of the Great scourge, the Great War my son

P.T.O.

wanted to take service in the Army notwithstanding my entreaties a poor old man who had spent all that he had for educating him (who was his eldest) to stop here and support me and my wife in our old age. But as nothing could swerve him from his determination to serve in the army I sold away my ancestral house and found funds viz. Rs 1267 which included the stipend paid by Government and also the penalty for failure to take service in the State and thus got a discharge for my son to enable him to take service in the Great War. I thus exhausted all my resources fondly hoping that my son, my main stay in old age would win honour and glory besides enabling me to live in my old age in peace. But unfortunately for me, my son on returning from the field after a distinguished service of 7 years. died of plague at Ooty where he had been posted, leaving behind him a young widow who is now staying with her parents at Madras. The British Government has kindly sanctioned to her a small pension of Rs 20/- per mensem. I am now left quite helpless, as I recently retired from service on a pension of Rs 30/- which is quite inadequate for maintaining myself and a family consisting of an aged wife and four young children and as the little that I have been able to save together with my ancestral property I had as stated above to sell away to bring up my eldest son and to refund to Government the stipend that had been paid to him and the penalty.

I beg to add that my grandfather the late Mr.Arumgam Modaliar served the state as Assistant Commissioner and retired fromservice in 1870, that my father the late Mr. Murugesa Modaliar was also an Assistant Commissioner but died while in service in 1878 and that I also retired from service in 1926 after serving the State for a period of

38 years. It is therefore quite evident that both my ancestors and myself have been serving the State for a long period of over 80 years.

In consideration of the unfortunate circumstances stated above and my long service in the Government, I humbly beg that the amount of Rs 1267 refunded by my son through me to Government may kindly be paid back to me so as to enable me to live in peace and comfort in my old age.

I also beg to enclose for kind perusal the connected papers which may be kindly returned to me when done with.

For which act of kindness I shall as in duty bound shall ever pray for your long life and prosperity.

I beg to remain,

respected Sir,

Your most obedient servant,

From

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.G.113/8-Med.23-27-1130, dated the 4th April 1928, I have the honour to state that details for the amount of Rs.1,267/- recovered from Mysore Medical Pupil the late Mr. Sivasankaran, are not available in this office as the records have been destroyed. The ~~Superintxendent~~ Superintendent, Royapuram Medical School, who had been requested to furnish a copy of his letter No.179[illegible], dated 20th August 1917 in which details of the amount spent on the medical education of the candidate had been given, has not yet sent a reply. From the abstract entry in the current register of this office, it is seen that C.No.266-11, dated 30th October 1917, is a communication sent to Mr. Sivasankaran, "returning his bond duly cancelled, on payment of the money spent by Government plus penalty," indicating that the refund included the penalty amount of Rs.500/- The penalty must have been recovered from the candidate according to the terms of the bond executed by him.

As regards the form of covenant, it is found from this office file that the form approved by Government in their G.O.No.653-L.S.20-03, dated 26th July 1904, copy enclosed, did not contain the penalty clause, which appears to have been added by the then Senior Surgeon's office memo, dated 27th September 1912, (copy of his Memo. is also enclosed) probably with a view to deter candidates from refusing to serve by paying back merely the money spent on them by Government. This penalty clause existed in all the bonds executed by the batch of students selected in 1913, of whom Mr. Sivasankaran happened to be one.

Form of covenant approved by Government in G.O.No.653- -L.S.29-03, dated 26/27th July 1 04.
